

Welcome to Istanbul Grill

Our charming little restaurant at the heart of Rice Village has been part of the community since 1998. All these years, we have stayed true to our belief that good food must be made passionately from the heart. Each day at dawn, our kitchen begins preparing each item on the menu from scratch with unique spices and ingredients. Whether it's our famous brick-oven bread or our award-winning rice pudding, the key to our success has always been our commitment to the integrity of our recipes.

Good food takes time. Please be patient with us while we prepare your meal.

Sincerely, Dundar Famili
